From its humble beginnings In February of 1991, Our founder Mr. Bennie Sewell started as a grave digger and a monument salesman. Still, with many ideas in mind Mr.Sewell began making his own vaults and slabs in the year of 2000. Shortly thereafter he started creating markers and monuments.

• MAY WE MAKE
a Sincere Suggestion

IT IS NATURAL that you may not wish to be hurried into discussing or choosing a cemetery memorial or marker at this time. As ethical retailers of memorials, we recommend that you make this decision without haste and with proper care and counsel.

We do suggest that you do not reject or put off for too long the consideration of a memorial. It may seem an unwelcome task right now, but it can bring you and your family a great deal of satisfaction and pride. It will prove the finest way to express your devotion and remembrance. It is the one way to mark and give meaning to an honored place in the cemetery, and to keep it honored throughout the future.
